# IMPORTANT INFORMATION

---

**Your MaxiMover converted vehicle has been built to your specification. Please see the warranty key on page 4 to help identify which manufacturer is responsible for each relevant component, should you need to make a warranty claim.**

It is important that you contact the correct manufacturer in order to make a claim as each manufacturer has their own warranty terms, conditions and procedures which must be followed. Failure to follow the correct warranty providers procedures may invalidate the warranty.

# WARRANTY INFORMATION KEY

---

- 1. CAB & PLATFORM CHASSIS FRAME
- 2. MAXIMOVER BODY CONSTRUCTION
- 3. REAR FRAME FITMENT

- 4. TAIL LIFT & FULL CLOSURE RAMP
- 5. ACCESSORIES & BESPOKE OPTIONS

## **1. Manufacturer Chassis Cab (New)**

The chassis cab and platform frame warranty is covered only by the chassis cab manufacturer (Mercedes) within their contractual terms and conditions. The manufacturer is responsible for all chassis and cab components including chassis frame, engine, gearbox and trim etc. You will need to contact Mercedes directly and follow their warranty terms and conditions. Please note that MaxiMover cannot inspect or interfere with any issue connected with the chassis cab, nor can we act as an intermediary.

## **2. Maxi Mover Box Body Construction**

The box body conversion warranty is covered by MaxiMover only, it is subject to our terms and conditions. In most circumstances, we will require you to bring the vehicle back to our factory for inspection as required. We have a warranty claims procedure which you must register the claim and follow the correct steps to allow us to deal with your claim quickly.

## **3. Rear Frame Fitment**

Your conversion will usually be fitted with either barn type doors or a roller type shutter. These are supplied by a specialist 3rd party manufacturer and are covered by their warranty terms and conditions. This is usually 12 months from the date of first registration of the vehicle.

## **4. Tail Lift & Full Closure Ramp**

If your conversion includes a tail lift or full closure ramp system, this warranty is covered by the specialist manufacturer. You will need to contact the specialist manufacturer directly and follow their warranty terms and conditions. Please note that MaxiMover cannot inspect or interfere with any issue connected with the tail lift or full closure ramp, nor can we act as an intermediary.

## **5. Accessories & Bespoke Options**

If your conversion is fitted with non-MaxiMover manufactured options or accessories then they will be covered by the relevant manufacturer. In most cases, this will be for 12 months. Typical options include, but are not limited to, reversing camera/sensors, night heater, power inverter, leisure battery, alloy wheels, alarm, air suspension and vehicle graphics.

# BODY CONSTRUCTION WARRANTY COVER

**As warranty may seem to be a complicated subject, we want to explain our box body construction warranty cover, terms and conditions clearly and simply.**

Our standard terms and conditions set out important information about our relationship with you which you should read carefully. This guide summarises the most important conditions but is intended to supplement and not replace the full terms and conditions document.

## WHAT DOES THE WARRANTY COVER?

We will cover you for any defects in material or workmanship that occur as a result of the box body manufacturing process. These components are; front aero kit, side panels, front bulkhead, floor assembly (including wheel arches), roof assembly, rear frame and the conversion wiring loom. In this way, we accept responsibility for those items that are ours; but naturally we cannot cover any non-approved modifications, accessories or bodywork applied after the converted box body's manufacture.

### What's the warranty for?

The warranty for your MaxiMover box body conversion protects you, our customer, against failures in the box body conversion caused by any manufacturing defects that may have occurred when your vehicle was built. It's our way of showing that we're properly supporting you, your conversion and your business, right from day one.

### How long does the warranty last?

The MaxiMover body construction is backed by a standard 3 years / 100,000 mile warranty. Certain MaxiMover models also benefit from an extended warranty term. This will be documented on your vehicle order form.

### When does the warranty start?

The warranty period starts from date of first registration.

## ...and what does it not cover?

Again, remember that the purpose of any warranty is only to cover defects that may have arisen during the manufacturing process.

### Therefore, we can't cover problems arising from:

- Components not manufactured by MaxiMover. These include, but are not limited to, chassis cab (engine/gearbox etc), rear frame fitments (barn doors / roller shutters), tail lifts/full closure ramps, accessories and bespoke options (reversing cameras/alarms/vehicle graphics etc).
- **A failure to follow warranty terms & conditions**
- **Repairs/works carried out by unauthorised 3rd parties**
- **The fitting of non-approved parts, additional equipment and bodywork, or other unauthorised vehicle modifications post-production**
- **Exceeding gross vehicle weights, axle loads and payload capacity**
- **Incorrect use of load restraint tracks, rails & fitments.**

- Normal 'wear and tear' on parts, including friction and consumable items such as door seals, lock handles/ barrels & springs. This list is not exhaustive there maybe other limitations as set out in the terms & conditions.
- External events including environmental issues such as storms and floods, accident damage, salt corrosion, civil unrest or vandalism.

### What costs are covered?

Provided the box body construction defect has occurred in the stated warranty period, MaxiMover will pay for the cost of the repair inclusive of parts and labour.

### What costs are not covered?

We can't cover you for any incidental costs arising from the defect; costs such as loss of use and rental charges, vehicle transport, recovery or roadside assistance charges, telephone calls, other travel or accommodation expenses, time or inconvenience or loss of business earnings. Additionally, costs relating to routine servicing and maintenance, accident damage and replacing normal wear and tear items are outside the warranty.

# BOX BODY CONSTRUCTION WARRANTY REPORT A FAULT

---

In order to deal with a MaxiMover box body manufacturing defect claim, we have a simple claim procedure which needs to be followed to ensure your warranty query or claim is registered and handled quickly.

- 01** Immediately register your claim by completing our Report a Fault Warranty Claim Form, which can be found on our website at; [www.maximover.co.uk](http://www.maximover.co.uk) under the after-sales navigation tab or call our After Sales Team and they will guide you through the correct process.
- 02** Please make sure that you have your body serial number to hand. This is located either on the hand over document or on the inside left rear body panel.

## Complaints

We are committed to providing you with the highest standard of service and customer care. We realise, however there may be occasions when you feel you did not receive the standard of service you expected. If you would like to complain about any aspect of the service we have provided to you under our Body Construction Warranty Claim, please contact us using the details set out below. Please bring the complaint to our attention as soon as possible and this will assist us in resolving the issue as quickly as possible.

## IF IN DOUBT GIVE US A SHOUT!

If in doubt, please see your full terms and conditions provided at point of order and these are also available on our website at: [www.maximover.co.uk/terms](http://www.maximover.co.uk/terms)

- Call us on **01673 863300**  
**8:30am - 5:00pm | Monday to Thursday**  
**8:00am - 4:00pm | Fridays**
- Email us [aftersales@maximover.co.uk](mailto:aftersales@maximover.co.uk)

# MERCEDES CHASSIS CAB

## WARRANTY CLAIM PROCEDURE

---

Your new Mercedes body conversion provides you with a comprehensive warranty cover package.

The Mercedes warranty is subject to their own specific terms & conditions and will require you to take your vehicle to their closest approved main dealer for inspection and repair if necessary. Only the manufacturer main dealers are authorised to inspect and repair under warranty.

Examples of chassis cab components covered by the relevant manufacturer warranty.

- ✓ Engine
- ✓ Gearbox
- ✓ Drive Train
- ✓ Engine Electric & Diagnostics
- ✓ Cab Trim & Controls

# MERCEDES UK ROADSIDE ASSISTANCE COVER

---

**MaxiMover<sup>®</sup>**

Mercedes 3 Year Unlimited Mileage Warranty  
with Breakdown Cover & Roadside Assistance.  
For further information please refer to Mercedes  
contact details found on page 16 in this handbook  
or by calling the Mercedes customer service team.

**Mercedes 3 Year Unlimited Mileage Warranty with Breakdown Cover & Roadside Assistance**

---

# TAIL LIFT & ACCESSORY WARRANTY COVER

---

At MaxiMover we carefully select and only partner with the UK's leading accessory manufacturers, the best for your business. All of which have different warranty coverage, terms, conditions and claims procedures.

Your MaxiMover body conversion may have additional optional equipment fitted such as a tail lift, refrigeration unit, reversing camera, power inverter, roller shutter doors etc. These components/parts are fitted by our team of professional technicians, however the warranty is covered by the relevant manufacturers warranty terms (these are usually covered for 12 months, however always refer to the manufacturer's warranty guidelines). MaxiMover are unable to repair manufacturer accessory option defects as this will void your warranty with the relevant manufacturer.

# TAIL LIFT & ACCESSORY OPTIONS INCLUDE:

---

- ✓ TAIL LIFT
- ✓ REFRIGERATION UNIT
- ✓ REVERSING CAMERA
- ✓ POWER INVERTER
- ✓ ROLLER SHUTTER DOORS
- ✓ ALARM SYSTEMS

# HELPFUL TAIL LIFT & ACCESSORY CUSTOMER SERVICE CONTACT DETAILS:

# ACCIDENT & CRASH REPAIR PROTECT YOUR WARRANTY WITH OUR FACTORY BODY SHOP

**WARRANTY  
APPROVED**  
PROFESSIONAL BODY SHOP

**INSIST ON A  
FACTORY REPAIR  
BY MAXI MOVER**

Having an accident doesn't have to be complicated...

- ✔ Your MaxiMover has been built to the highest standards and is covered by our comprehensive body construction warranty.
- ✔ Do not void your warranty, insist your MaxiMover is returned back to the factory and repaired using genuine parts by our team of professional coach builders.
- ✔ Priority fast track repair, loan van available.

# MAXI MOVER GENUINE PARTS

---

MaxiMover genuine parts are carefully engineered to deliver optimum performance and have a longer service life. Time and time again, tests prove that MaxiMover genuine parts work harder for longer, offering significant cost efficiencies compared to after market copies.

Non-genuine parts might look the same. They might have been manufactured in the same factory but a part without our approval will not have been designed and stringently tested as part of a whole vehicle system ensuring that it performs in harmony with the rest of your van conversion.

Our parts department holds a comprehensive range of parts and materials for new build production and repair requirements. Although an extensive range of parts and materials are always stocked, we can manufacture bespoke components in-house. Our parts department will despatch your parts same day ensuring minimum downtime
